Professional Experience

Università Bocconi

Milan, Italy

RESEARCH ASSISTANT

Aug. 2023 - present

- Research Assistant for Age-It (Ageing well in an ageing society) PNRR - Next Generation EU Project.
- This project aims to understand the political and social consequences of ageing in Italy and Europe more generally by using surveys and text analysis to study intergenerational political conflict; prejudice toward the elderly; and social understanding of life stages in ageing populations. The project analyze original survey data as well as data from Italian parliamentary debates
- Research Assistant providing support to Professors De Vries, Mencarini, and Williamson to study the political and social consequences of ageing.

Inter-American Development Bank

Washington, D.C., USA

CONSULTANT

Aug. 2017 - Aug 2021

- Research Analyst in the Education Division at the bank's Social Sector.
- Project manager in the design and implementation of three innovative new online student assignment systems in Peru, Ecuador and Brazil. Related activities: Team leader of a group of six economists, algorithm and platform development, communication strategy design, field work with government and local authorities, research work and RCT experimental designs.
- Designed and conducted an RCT investigation on career choice motivation using behavioral strategies.
- Co-authored research with PhD Gregory Elacqua and PhD Analía Jaimovich in school finance and accountability policies.
- Co-authored several policy briefs, book chapters, technical notes, articles and blogs about education policy, especially about COVID-19 and its impact in LAC.

Superintendence of Education, Government of Chile

Santiago, Chile

DATA ANALYST

Apr. 2015 - Jul. 2017

- Developed a new audit system from data.
- Developed several sampling models and strategies for schools' inspections.
- Provided researching technical assistance in investigations conducted by the department with some external agencies, such as the University of Chile and the Inter-American Development Bank.

Centre for Social Conflict and Cohesion Studies

Santiago, Chile

RESEARCHER

Jun. 2013 - Apr. 2015

- Researcher and coordinator in project: Segregation, spatial poverty and access inequality to urban goods.
- Developed theoretical models for data imputation, access measurements and income segregation.
- Collected and managed GIS Data.
- Collaborated on research within the Centre of Territorial Intelligence (CIT) at Universidad Adolfo Ibañez.
